AMENDMENT

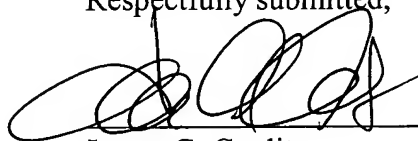

Dear Sir:

Applicant encloses herewith a revised Complete Listing of Claims in which the notation "AMENDED" has been replaced with the notation "CURRENTLY AMENDED." Also attached are substitute pages from the specification showing the amendments made thereto. Said substitute listing of claims and specification pages are being provided in response to the Notice of Non-Compliant Amendment dated April 8, 2005 in which the Examiner found the Amendment filed

March 29, 2005 to be non-compliant to show the entire paragraph for the amendments to the specification, and for improperly identifying the amended claims as "AMENDED" rather than "CURRENTLY AMENDED."

In light of the amendments and remarks, applicant respectfully submits that this application is now in condition for allowance, and an early Notice of Allowance is hereby respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'J. G. Coplit', is written over a horizontal line.
